

SONGWRITERS

For a limited time The Slap Jackson Studios is offering a *Songwriters Special*.

Video record up to three of your songs for \$99.

1. You get Wave and MP3 audio files of your performance suitable for copyrighting, uploading to the internet and making CDs.
2. You receive a Windows Media 1080 High Definition Video file of your performance which is suitable for uploading to the internet (YouTube) and for making DVDs.
3. Choose from a variety of different backgrounds for your video performance or even bring a background of your own.

Please Note:

- * Vocals and one instrument arrangements only.
- * Bring with you a flash drive for the finished audio and video files. 4GB minimum.

Although the edited footage of your performance can run up to 15 minutes, the studio is yours for a minimum of two hours. This way you can relax and get the best “take”.
